Sue Dyson – Bird On The Wind

Sue Dyson is excited to be releasing her third single to Australian radio titled "Bird On The Wind" which is off her upcoming EP of the same title.

Produced by Simon Johnson at Hillbilly Hut in Sydney and written by acclaimed songwriter Reece Kirk. Reece's biggest achievement as a songwriter came in 1983, when Crystal Gayle took his song "Our Love Is On The Faultline" to No. 1 on the US country charts.

Sue was given a demo of "Bird On The Wind" and says "I fell in the love with this song when I first heard it. I felt I could relate well to the lyrics and knew that it suited my style well.

"Bird On The Wind" tells a tale of that inner desire to be free of the common responsibilities that weigh us all down from time to time, feeling the envy of a bird and its ability to fly away at will.
