Faith Julija – It's December

There is something about the month of December, that brings out the child in us each year. The counting down, the winding up. It's a crazy time! We get so busy, & yet our eyes still sparkle with excitement.

“It's December” is all this rolled into a song, with singalong lyrics, and all the right tones, that will place it right beside all your favourite Christmas songs.

Hot on the heels of her latest, charting release – This Christmas holiday song is lifted off her forthcoming EP (bonus song).

Written by Faith & her daughter Isabella, and once again displaying the distinct sound that is undoubtedly, Faith Julija.
