Willow – Small Hometown

'Small Hometown' is the second single release from emerging artist Willow and follows the incredible success of his debut single 'Release' which was quickly added to playlist rotation on many of the major country networks and stations including Triple M Country, Kix Country, ABC Country, 98.9FM and Australian Country Radio, plus many more. 'Release' also debuted on Saturday Night Country with Beccy Cole as the opening song of the show in the first week of its release.

Willow's new single, 'Small Hometown', is his cheeky homage to growing up and living in a small town in Central Queensland. The song encapsulates the essence in which country people go about their lives; with good will and a great sense of humour. Another radio-ready, tantalising taste of Willow's music as he heads towards his debut album launch at the 2022 Tamworth Country Music Festival.
