Charlie's Attic – Never Too Old

'Never Too Old' is the new single by Country duo Charlie's Attic following on from the release earlier this year of Nanna's House.

Never Too Old is a song that really epitomises everything that Charlie's Attic is about, that it is never too late to follow your dreams and live your best life.

We are all often guilty of spending too much time listening to what other people tell us we can't do. This song is about the joy of freeing yourself of the shackles of expectation and doing what makes you happy and feeling alive!
