### ***Alice Benfer – Never Tasted Dirt***

Turn up the volume, pull up a stump and crack a cold can to wash down the dust.

Alice Benfer has a brand new single out now that will take you straight to the heart of the country.

“Never Tasted Dirt” is as country as it gets with the tale of a girl from the bush looking for all the right qualities in her man.

Alice Benfer delivers Australian traditional country music with a universal sound.

Co-written with Brendan Smoother and produced by Sam Hawksley, this song is bound to do well for Alice.
