Della Harris – Truth Juice

'Truth Juice' is the new single release from multi-award winning artist Della Harris.

'Truth Juice' sets the scene for the launch of Della's forthcoming album at the 2022 Tamworth Country Music Festival - an album that already boasts six National Top10 radio hits including two #1's - Must Have Been The Wine and She Said What?. 'Truth Juice' has an infectious chorus, quirky lyrics and the classy production that we have come to know and love from Della - another single destined to find a home on radio playlists around Australia and the world.

And here is why Della wrote it:

'Truth Juice' came about after a particularly funny night out with the girls at a pub in Melbourne. Let's just say, without exposing the poor fella, that he'd had waaaay too many drinks ('Truth Juice') and the stuff coming out his mouth would never have been said if he was sober!!! He ended up making quite a goose of himself, as we all do sometimes when our inhibitions are let loose from too much alcohol! It was pretty hilarious (and a bit flattering I guess haha) and the hilarious chatter about it with my girlfriends and co-writer Clive Young afterwards paved the way for 'Truth Juice'.....:) Della Harris
