### ***Bailey Perrie - Stuck***

Bailey wrote "Stuck" for "The Magic Coat" a foundation focusing on Children's Mental Health. The song 'Stuck' signifies that although you may be stuck in a bad situation, there is always someone there to help. It is normal to have problems, but you don't need to face them alone.

I even had one person tell me how he said to his grown-up children, "I just bought a SKI holiday, with one of his sons saying, I didn't know you liked Skiing Dad, to which he replied, I don't I am Spending The Kids Inheritance".
