### ***Rae Leigh – Just Like That***

The excitement of a night out leads to too many drinks and a one-night stand that never ends. She falls into a long-term relationship that despite the passion and fun turns emotionally abusive. Using all the strength she has she leaves “Just Like That”

This song shines a light on the power struggle that occurs in gaslighting and emotional abuse within a relationship and has a powerful happy ending of a woman creating a life that she is in control of and driving into the sunset of her dreams.

An inspirational message for women to create their own destiny and take their power into their own hands.
