Lloyd Back – Ball Of String

In his Christmas song ‘Ball of String’, Lloyd tells a true story from Christmas many years ago when he was growing up on a farm on Queensland’s Darling Downs. It’s a heart-warming story of a little boy buying his dad a present for Christmas.

When Lloyd first played the song for his dad, many years after the event, his dad said with a smile “I remember that ball of string”.

A simple story and song, but one which Lloyd is often asked to perform and which is always well received at any time of the year.

He really hopes you and your listeners enjoy ‘Ball of String’, and wishes you all a safe and happy Christmas season.
