The Silverline – Silver Threads and Golden Needles

Silver Threads and Golden Needles is a massive classic country hit written by Jack Rhoads, and first recorded by Wanda Jackson in '56.

The song has been covered by many iconic artists from Linda Ronstadt to The Grateful Dead, generally rendered as an up-tempo song.

Built on strong harmonies and powerful vocals, The Silverline has taken this classic hit and crafted it into a soulful ballad that lends itself to the sorrowful tension and weightiness of these timeless lyrics.
