Jason Carruthers – Don't Sell Australia Out

Carruthers' new single 'Don't Sell Australia Out', written by Australian Bush Poet Chris Long, is a song about keeping an eye on who we are as a nation and not letting our heritage fade to a lost memory.

This song resonates with Jason, as it speaks of farmers, the backbone of Australia, losing their will to fight and walking off the land, who are "broke and won't be back" and the once thriving outback now merely ghost towns.

'Don't Sell Australia Out' sends a powerful message as we accept change " ...one day you might find yourself an outcast in this land, perhaps your heart will tell you then, "I should have made a stand".
