Darren Gillis – Me and You

This track is dedicated to my girl.
Someone who changed my life for the better.
A girl that appreciates the simple things in life and loves through thick and thin.

It was so easy to write this song and the lyrics are so true and from the heart. I decided to use my own harmonies, low and high as a combination which had a great affect.
The track is complimented by a mix of acoustic, electric and bass with a solid beat.
