The Woodpickers – All Life Matters

The Woodpickers is a recording project of Blue Mountains resident John Murphy. Over a 25 year period more than 60 songs have been released.

‘All Life Matters’ is the latest featuring Rachel Hannan.

For billions of years life on planet earth evolved.

A wondrous unique miracle.

If we, the human race, don’t accept, protect, embrace and learn to live with our diverse natural world we will become another endangered species.

There is a simple solution.

Have less babies, plant more trees, and if you can, cuddle a Koala.

It’s not to late.
