Chris Boots Lee – Always Wanting More (2022)

"Always Wanting More" is one of those great heartfelt country love songs that we are surprised that many of his fans have not had the pleasure of hearing. Until now.

Chris felt that this song was too good to slip into obscurity, and along with his good mate, ray Whitlock, have released a fresh new mix, that sounds even better than before.

It's traditional country with a tragic message of a poor fellow who just doesn't live up to his partner's expectations.

We hope that you enjoy this song, and are ramping up to release some more songs in the near future !
