CAN'T YOU HEAR ME CALLIN' - (Bill Monroe) RUNAWAY DIXIE

Performing and recording originals and covers in both bluegrass and electric country continues to be a popular format for Runaway Dixie and the trio's latest radio single is a timeless bluegrass classic, "Can't You Hear Me Callin'" written by Bill Monroe.

Taken from their 6th Runaway Dixie album - 'Ticket To Mars' released in May 2021, the track features Runaway Dixie band members Virginia on lead vocals, acoustic guitar work and a sprinkle of mandolin, complimented by banjo picking from Jim, along with bass, and drums from Lynette topped off by group harmony vocal combinations.

"Thank you so much to all for your radio airplay of our music." - RD
