Brock Curtis - Daddy Says

Personal Bio: Born and raised in rural South Australia, now a Sydney based singer songwriter with a background in Audio Engineering. Brock has played all over the country with bands, friends and now as a solo artist. Crossing the borders of country and pop, Brock brings a modern feel to the genre but with his meaningful lyrics he still has a story to tell.

Song Bio: A ballad that cuts the fine line between a love song and break up song. It tells a story of a boy that can be better, a girl that knows what she wants and a dad that knows best. Emotional but energetic. Deep but hopeful.
