### ***Miranda Easten – View From here***

After becoming a solo artist in 2019, Miranda Easten recorded her debut album 'Behind Unbroken Strings' at Roundhead Studios in Auckland with world renowned producer Greg Haver (Melanie C, Opshop, Kimbra).

Her debut single 'Cowboy Lullaby' peaked at 16 on the national chart in Australia in April 2020 and she featured on the 'Voices of Country' compilation album released by Compass FM. In early 2021 Miranda released 'Country Boy', which rose to number 25 on the Australian Chart. Her music video achieved success in America airing on the popular Country Music Network, which reaches 40 million people, Nashville Country Television and networks CMC, CMT, MTV, Heartland, as well as closed circuit television on cruise liners, casinos and hotels.

Miranda's brand new single 'View From Here' is a song about living in the moment. It's a song about freedom, joy and road trips with friends or a partner. It's about exploring and not worrying about what tomorrow will bring.

Miranda is currently working on her second album.
