### ***The Weeping Willows – House Of Sin***

Golden Guitar-winning duo The Weeping Willows have long burned brightest in the shadows.

True to form, with the earthy new single and cautionary tale, “House of Sin”, the pair considers the irresistible flame of temptation and the wages of iniquity that follow in its train.

With its sinuous fingerpicking and ominous note of warning, “House of Sin” finds The Weeping Willows at the peak of their songwriting and vocal powers.

Recorded, engineered and mixed by Ryan Freeland at Los Angeles’ world-beating Stampede Origin Studio, “House of Sin” is a thrilling meditation on the darker underbelly of a fallen world and offers a glimpse into The Weeping Willows’ much anticipated third studio album, “You Reap What You Sow”.
