Craig Woodward – Get Your Boots On

Craig Woodward release's his 2022' party anthem 'Get Your Boots On' in a hats-off tribute to all those who work hard and party the same way!

The song was inspired by his 2013' visit to the Arian Park B&S Ball where Craig and his band headlined the event. In a time before worrying about social distancing over 2,000 crazy country fans packed the show arena and sang, drank and laughed their way through the night.

The song captures the passionate and fun side of Craig's Modern Country Rock. Real fans loving music that speaks straight to the heart and gives you an inspiring aftertaste about how life should be lived.

The song was also inspired by Craig's early Rock influence in particular 'It's my life' by Bon Jovi. Spontaneous, wild, adventurous, and most importantly enjoyed always with your boots on!
