### ***Ronnie Joudo - She's The One***

"Once in a while the stars all line up and things fall into place unexpectedly. A night out ends up being the last time you do that as a single person, because you finally met that someone who steals your heart. Knowing that "She's the One", you cannot see yourself living without her. A song inspired by my personal experience and I'm sure it can be related to many other relationships." Ronnie J
