### ***Ronnie & Johnny - The Slouch Hat***

This idea for this song came from the stories told about one of Ronnie's uncles who joined up to fight in 1939 and kept his slouch hat ever since. He served in the jungle and the desert along with 2 of his brothers. Fortunately, they all came home.

This uncle was important in Ronnie's life. He had given her a pony and Ronnie actually nursed him as a first year nurse after he suffered a heart attack.

It was a different era, but Ronnie and Johnny believe the slouch hat is still a powerful symbol of Australia.
