Dancin' Till The Daylight

Dancin' Till The Daylight is a typical story of 2 people being in the right place at the right time. The song came together in such a way that I knew it would be my new release to follow on from Get Back On The Stages, which went to number 4 on the U.K./Europe Hot Disc Top 40. It is uplifting and has a drive intended to draw the listener in. It was a dream to record and produce. I feel very privileged to have renown Australian artists on this song. Geoff Achison (Geoff Achison and the Soul Diggers), Robyn Payne (Eurogliders and Jacobs Triangle) Gerry Pantazis (Drums for many an Australian artist) bring their incredible talent and energy into the song. What a blessing. So...Turn it up and enjoy!!!

**Cheers,
