TC Cassidy – Ain't Too Late (To Start Again)

TC Cassidy makes her long awaited return to country music with her first single in close to 30 years, "Ain't Too Late (To Start Again)".

Signing to Festival Records at 16, she recorded her self-titled debut album with Garth Porter. The album's success earned TC two 1995 Golden Guitar Award nominations.

Late last year she received a message from her friend, Angus Gill. "The message read, "So, I think TC needs to make a comeback single and I'd love to produce it'. My initial thought was - 'Is he serious'? So I jumped on it quick smart before he could change his mind".

"Ain't Too Late (To Start Again)" is the first taste of what's to come on TC Cassidy's anticipated new album due for release later this year.
