Katy Hurt – Wish I Could Give You Up

British Country Music Award nominee Katy Hurt explores the journey to acceptance of her complicated relationship to music in her latest single

Building on the success of her first single 'Sounds Good In A Bar', which debuted at #1 on the UK iTunes country chart along with being added into rotation at CBC Country Sirius XM and many other Canadian radio stations; Hurt releases her second single in Canada, Wish I Could Give You Up.

In Katy Hurt's latest up tempo single, she pens an open letter to her greatest love and vice, music. With relatable lyrics like, "I don't need your advice because my vice is something I can't change" it is a song many people can connect to.
