The Austins – Back Road Bus Stop

The Austins, Rohan and Candice, are an emerging contemporary country duo who have teamed up with Golden Guitar winners David Carter (co-writer - Carter & Carter) and Matt Fell (producer) for their debut single and video release 'Back Road Bus Stop'. The song is their own personal take on a classic long-distance relationship song.

"I was on the farm in Kaniva, Victoria, and Candice was in Adelaide, South Australia. Most of the time I would drive and stay in Adelaide or pick Candice up and drive back to the farm for the weekend. One such weekend I could not take Candice back to Adelaide on the Sunday night, so she caught the bus from Bordertown. Waiting for the bus to leave was agony knowing that we were so close to each other yet so far apart. Candice vowed never to catch the bus back to Adelaide again." Rohan.

The Austins blend Candice's sweet soulful vocals with the rocky edge of Rohan's style which calls to mind the collaborations between Garth Brooks and Trisha Yearwood. It is an enticing and unique blend that sets The Austins apart.
