***Davey Bishop – Time is of the Essence***

I am a songwriter and singer sharing stories. Love, loss, hope and happiness are the hills and valleys of life's journey.

My debut album "Time is of the Essence" is a collection that touches on these emotional milestones. "The songs look at this journey through the eyes of people, some real and some imagined, and are my own compositions"

The second single off the album is "Time is of the Essence"

We do not have complete control over our circumstances, yet we approach life as if we dictate the terms of our existence and demise. Make the most of every second that you are gifted friends.  
Live your best life now.
