### ***Michelle Little – Here I Am***

Here I Am is the latest single from Michelle Little.

Wanting to mark the anniversary of her 2021 album release, “Invincible”, Michelle asked her fanbase which track should be released and ‘Here I Am’ came out on top.

A song inspired by a meme, “Here I Am” is about surviving her relationship breakup and realizing that she would be ok.

As with all the tracks on this album, Michael Carpenter’s expert musicianship and production shines through and compliments Michelle’s lyrics and vocals.

Michelle says “I think it’s a great song to celebrate and round off the “Invincible” era before I release some new material.”

Join Michelle on July 19th 7pm AEST as she celebrates the release of “Here I Am” and the anniversary of the album, “Invincible”.
