Allan Caswell & The Silverline – Sticks & Stones

Country Music stalwart & Golden Guitar winner Allan Caswell has teamed up with award-winning songwriter Michael Lehnen from The Silverline for this powerhouse new co-write “Sticks & Stones”.

At the core of great Country music is the ability to tell a great story, and this exciting collaboration definitely hits that mark!

Sticks & Stones is a play on the old adage that words can’t hurt - but the truth is whether written or spoken, words have the power to help or to hurt.

Produced by Simon Johnson, at its heart this track boasts catchy riffs, skilled songwriting while showcasing three unique performers, sublime harmony work and a tried & true storyline!

Remember - words are free. It is how you use them that may cost you.
