### **Craig Woodward – With Her**

‘With Her’... is a song about daydreaming love!

The moment you meet someone of pure heart, mind and soul and long to embrace them into your loving world.

A ‘green’ eyed beauty with a soul to match is a rare find that only the purest of hearts can truly win over. The one person that makes you a better you and you make them a better they...

It’s a song about desire, chemistry and the overwhelming heart felt passion that you encounter all but a few times in any given lifetime, if you’re lucky.
