Davey Bishop – Never Been So Proud

The third single off my debut album is “Never been so proud”

It captures the words of a parent to a son.

It speaks of their pride in the man he has grown up to be as he finds his place in life.

This is a strangely difficult conversation for many and one that, sadly, is never had.

If you can't find the words, play him this song.

Young men need to hear that they are doing a good job.
