Larry Cann – Some Kind Of Cowboy

"Some Kind Of Cowboy" is a definitive traditional sounding country track produced by Michael and Caleb Flanders.

Some Kind Of Cowboy takes you through a journey of a top cowboy who can't find the balance between his great ability to ride and win, to his personal life while on the road. The cowboy leaves his legacy with the way he rides.

This track has the strains of a great country hit from years past with a modern mix with crying pedal steel and lonesome fiddle, its country with a capital C.
