Angus Gill & Kevin Bennett – Listen To The Country

Angus Gill and Kevin Bennett have again teamed up to write and record the sensational new collaboration, “Listen to The Country”.

“The song sprang from the frustration and distress at the unfathomable inaction in Australian on Climate Change. Its relevant today, yet echoes what Indigenous Australians have been practicing and saying forever – listen to the country, care for it, and it will take care of you”.

“With the melange of extreme weather events our country has experienced over the last few years, I think it’s time to listen to the country because its telling you the truth”, says Gill.

The song throws to a pulsating Midnight Oil vibe that stirs the heart invoking immediate action.
