Cathy Dobson – Vapour Trail

After watching many Vapour Trails slowly disintegrating in a vast blue Gippsland sky one afternoon, and with my guitar in hand, “Vapour Trail” came to life.

The song is a reflection on the changing feelings in a relationship over time. Day to day stresses can bring doubts, have one questioning “Is this all there is”? Sometimes a few kind words or an embrace can revive those feelings of being loved.

A great production by Damian Cafarella and Lachlan Bryan at EOR studios in Melbourne, and cover by Tracey Roberts.

“Vapour Trail” is Track 6 on my forthcoming album “Living in Mediocreville”, due for release before the end of 2022.

Available on all digital outlets.
