Ross Webb - One Of A Kind

The subject behind the song is my loving wife Sharon. So it made it very easy for me to put together the lyrics, she has been the love of my life now for 30 years.

As the song suggests she is the glue that holds the family together and always tries to make sure everyone is happy and on an even keel.

Melody has been put together by Jo Caseley and Syd Green who have done fantastic job in capturing the mood of the lyrics
