### ***Lloyd Back – Proud To Call You Dad***

Lloyd was inspired to write his latest single 'Proud To Call You Dad', when reflecting upon his dad receiving, among other things, a new chainsaw for his 80th birthday in 2022.

It got him thinking, and became the first line of the song.

With a beautiful, catchy, Bush Ballad feel (his dad's favourite genre of music), this is a song Lloyd is very proud of and very happy to share with you all.

This is the first single from what will be Lloyd's seventh studio album, 'Faith, Hope and Love', due for release early 2023.
