TC Cassidy – Travelling Heart (feat. Angus Gill, Beccy Cole, Adam Harvey, Gina Jeffreys & James Blundell)

“Travelling Heart” is the brand new single and title track lifted from TC Cassidy’s highly anticipated come back album.

It’s country through and through and was the icing on the cake having country stars – Beccy Cole, Adam Harvey, Gina Jeffreys, James Blundell and Angus Gill – join her on this special track.

“Travelling Heart” is a fun, rollicking country tune that conjures up vibes of Merle’s “Working Man Blues” or even Johnny and June’s classic hits.

The choice of guests for the track was an easy decision for TC – each and every one of them has a special connection to her. As a recording artist in the 90’s, TC had a lot to do with Beccy, Adam, Gina and James throughout that period and Angus of course is the reason she has made this long awaited return to country music. He also produced and wrote or co-wrote every track on the album.
