Sisters In Country - Hey Jolene

This infectious country song is a brand new original country gem penned by the legendary Jodi Vaughan and is the first song release for Sisters in Country Duo, comprising New Zealand Country Music Legend Jodi Vaughan & Kiwi Recording Artist Aly Cook. Hey Jolene - Sisters in Country is released on the Tasman Records Label.

Jodi reflects “ ... I came up with the idea that Dolly would never let another woman take her man, which is exactly what had happened. Dolly held onto her man then and is still with him now!! Hence Hey Jolene (I’m Takin’ back My man) is a strong message to all the “Jolenes” out there. If you are thinking about my man...DONT !!”

I knew I wanted it to be right up there tempo wise and of course Dan Cosgrove has not disappointed and David Thorpe's harmonica solo is fantastic and definitely right up there. The video was even more fun to make, with Aly Cook as Producer. With her fun ideas and her expertise at putting it all together, we have Sisters in Country’s first video ‘Hey Jolene’.”
