### ***Della Harris – Do That Again***

Della Harris's new album 'Let's Do This' was released to a full house at the 400 seat Capitol Theatre in Tamworth at the 2022 Tamworth Country Music Festival. The album had already spawned a total of nine Top 10 hit singles including the two National #1 hits - 'Must Have Been The Wine' and 'She Said What?' plus won her back-to-back 2020 and 2021 ACMLA Peoples Choice Awards for Female Vocal Of The Year.

Now comes the final single release from that album, another co-write with Golden Guitar winner Clive Young, titled - 'Do That Again'. It has all the trademarks of Della's music - memorable hooks, quirky lyrics, engaging vocals and a beautifully crafted tapestry of harmonies.

“I wrote this song during lockdown after months of spending 24/7 in the company of my husband. It could have gone either way let’s be honest! I’m happy to say we didn’t kill each other and actually really enjoyed each other’s company (for the most part anyway!) I was reminiscing one day about relationships, and how they start, and what we see in our partners in the beginning and where that ends up etc.

By the time you’ve been married for many years, there’s plenty of battle scars so the song came around that occasional longing to go back to when it was all new and exciting. It’s not a song about hating the stage we’re at now, it’s just a wistful look back at the beginning.” Della
