### ***Jason Carruthers – Goats Ahead Upon The Road***

‘Goats Ahead Upon The Road’, the 2nd single released from his new album ‘Our National Treasure’, was penned by Traditional Country Artist Jason Carruthers whilst on tour to Uluru.

Jason came across goats on the road everywhere whilst travelling between Cobar to Broken Hill and this inspired him to compose the song whilst driving along in the car. Jason recalls “As I was on my Uluru Tour going from Cobar to Broken Hill there were feral goats everywhere. Luckily they ran away from the road.”

‘Goats Ahead Upon The Road’ is a catchy fun song with some good old fashioned country humour. This is definitely an Aussie country sing-along song.

The song was written by Jason Carruthers, with all instruments recorded by Gary Farmer at Farm Boy Studio Nashville, and Vocals recorded & Song Produced , Mixed & Mastered by Simon Johnson at Hillbilly Hut on the NSW Central Coast.
